

Public Services

The Christian County SWCD is here to serve the citizens of Christian County by protecting it's natural resources. We achieve this by offering many services free of charge. These services include Conservation Planning, Seeding and Fertilizer Planning, Financial Assistance for those who qualify, and Educating Youth and Adults about our Natural Resources. To find out more about what we can do for you, read the following or contact us.

- ✦ **Conservation Planning** - Assisting landowners in the identification of natural resource concerns on their property and development of a management strategy that addresses the resource concerns. The management plan will provide alternatives to the landowner that will utilize natural resources in the most efficient and sustainable way.

- ✦ **Seeding and Fertilizer Planning**- Provide information to landowners on species compatibility with the soils that they have on their property. Interpret soil tests and make recommendations for planting and yearly fertilizer applications based on desired yield goals and soil productivity. Make recommendations on existing forage systems to increase yield and efficiency.

- ✦ **Financial Assistance** - There are many programs available to help responsible landowners improve the health of their land. Please visit our Financial Assistance page for more information.

- ✦ **Education** - With limited resources and unlimited dedication, the Christian County SWCD has managed to provide its residents a broad variety of outreach services. Please visit our Education page for more information.

"The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or a part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of discrimination write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider and employer."
